- 19 Jul - Last day of term

"You crown the year with your goodness; your paths overflow with rich food."

Psalm 65:11

Dear Parents and carers

We are nearing the end of the first half of the spring term but school is as busy as always with lots of exciting learning and experiences still taking place.

On Monday our year 4 children visited the DEVA Roman Experience in Chester. They had a fantastic day marching through the streets of Chester dressed as Roman soldiers. A huge thanks to Miss Snelson who organised the day and the staff team who accompanied the children around Chester. A fantastic day was had by all. Another fantastic example to spark that Love for Learning.

Mental Health and well being week - 6th - 10th February

This week has been mental health and well being week in school. During the week the children have participated in various activities to support them with their mental health and well being. It has been great to hear so many children feeling more comfortable expressing their feelings and talking about how we can use different techniques when things aren't working quite as well. As a Principal and as a parent I place a high priority on ensuring all our young people are ok but that at times it is ok not to be ok. It is at these times that myself and the rest of the teaching team at Bunbury are there to support.

There are some useful resources on the link below and please don't forget to keep checking in on our school padlet for support at home with regularly updated mental health and well being.

TT rockstars Day

Today we held our TT Rockstars day in school. After 2 weeks of online times tables 'battles' I am delighted to say that Bunbury were first in the competition with 2,229 points. Thanks to all the pupils and parents who have supported the intensive times tables practice on the platform - for some I know it has been a very competitive two weeks! It was great to see so many children becoming so enthusiastic about their times tables!

PTA 2023

This year they will be continuing to fundraise to help support the development of our outdoor quiet area. This has been a great addition to our playtime space and is already used by a number of children to sit,

read, talk, play board games or make models with our lego.

This term we will be looking to add more to this area with astro turf mats, outdoor storage for the lego and games as well as picnic benches with table top games. As well as developing a raised pond and wildlife area for our science and environmental work. **If you feel you are able to support any of these projects either financially or with expertise or equipment please don't hesitate to contact me or the PTA.**

A Valentines disco will be held in school on Thursday 16th February to help raise money for the development of this area.

Take away homework

Just a reminder that next week is Takeaway homework presentation week. Please can all children return their yellow homework journals to school as well as bring in any takeaway homework projects. This will be shared in class and across the school. We are looking forward to seeing what the children have been doing during their home learning time.

Sporting News

Sandstone Partnership fixtures for the 2023:

Thurs 19th Jan	y3/4 handball	4-5:30pm sports hall
Thurs 9th Feb	y1/2 handball	4-5:30pm sports hall
Thurs 16th Feb	y5/6 handball	4-5:30pm sports hall
HALF TERM 20/2 - 24/2		

PE Award

This weeks PE award goes to **Koshae in year 2 for some excellent handball skills this week.**

World Book Day Thursday 2nd March 2023

As part of our celebration of World Book Day this year, we will be hosting a 'book swap' on the school playground. If you have any books that you no longer want (for children or adults), please bring them into school by **Wednesday 1st March**. These books will then be displayed on the playground for children and adults to browse and take away (for free) at the end of the school day on Thursday 2nd.

As always, children are welcome to come to school dressed as a character from a book on World Book Day. This is optional and there will be no 'parade' of costumes this year so there is no pressure to dress up. Those children not wishing to dress up may wear own clothes for the day. We have lots of other fun activities planned for the day and look forward to sharing these with you on the school Facebook page and newsletter. Happy reading!

Mrs Badger's Weekly Awards

This term we will be focusing on the value of perseverance. Each week we will awarding those children who have demonstrated this value during the school week.
