Dear Parents and Carers,

Further to the information on the school newsletter, we are delighted to welcome PC Andrew Cornall into school to lead a parent coffee morning on: Keeping your Child Safe online.

The coffee morning is open to all parents regardless of the age of your child but will be of particular interest and importance to those who have children with mobile phones or access to tablets, laptops or PCs. The presentation covers current risks from the online world, awareness of the functionality of the main apps young people are using and simple strategies parents and carers can utilise to reduce the risk of children coming to harm online.

If you would like to attend the coffee morning session, please use the link below to book onto the event.

Parent Workshop: Thursday 4th May at 9am
Bunbury School Hall
Keeping your Child Safe Online

We thank you for your support and hope it will be an insightful workshop for all of our school family. If you have any questions, please don't hesitate to contact me.

Kind regards

Nic Badger
