Dear Parent/Carer,

### Bunbury Badgers ASC - Booking System Survey

At the last parent council meeting during the autumn term, the question around an online booking system for Badgers afterschool club was raised. Since the meeting we have been looking at the feasibility of doing this with our current system in school.

It has been confirmed that School Money would allow us to operate this facility and accept child care vouchers as payment also.

Before a final decision is made to switch, I wanted to make you aware that should we move to an online system the following would need to happen:

- Children would need to be pre-booked onto the system prior to attending
- Sessions would need to be paid for at the time of booking
- Accounts would need to be kept in credit for children to attend Badgers

Please could you indicate on the relevant School Spider survey if your preference would be to:

- a. Move to an online booking/pre-payment system
- b. Remain with the current system

Kind regards

*Nic Badger*
