Another week has passed by in school and we all continue to be enjoying our learning. This week we have been busy filming our promotional video for school. It

'But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not

grow weary, they will walk and not be faint'

Isaiah 40:31

was such a positive experience on Tuesday escorting the film company around the school and seeing all the wonderful things which take place at Bunbury. The children were wonderful and I was delighted to be told by the cameraman what a lovely school this was and that he had never seen such exemplary behaviour. I am incredibly proud of each and everyone of the Bunbury school family and the way they not only conducted

themselves on Tuesday but each and everyday in school.

It was lovely to hear what the children enjoyed about Bunbury school during the pupil interviews and I even persuaded Miss Hickson to have a staring role too!

I look forward to being able to share the film with you in the near future. Next week we will be having some professional school photos taken to be used in further material for advertising the school.

A huge thank you to the staff and pupils who all worked so hard to showcase the very best of Bunbury Aldersey CE Primary school.

Harvest Service

Harvest Service - Friday 8th October at 11am

This year we will be still holding our Harvest Service online. Whilst I am aware that restrictions have been lifted I will continue to exercise caution around large scale whole school indoor events for the safety of all staff, children and parents. The service will feature our usual participation from all children as well as our Harvest songs. As we will not all gather in church to say thank you to God we would like to welcome you to our service via Zoom. An invitation has been emailed to all parents/carers today along with a list of wanted items for Nantwich Foodbank.

Once again we will be donating all our Harvest gifts to this local and very worthy cause.

Woodland Learning Area.

Our woodland learning area is now up and running and being used on a regular basis by children across the school. Mrs Moxley has been leading the sessions to date and is thankful for all donations of equipment which have been received so far. If you have any of the following to donate to our woodland learning resources we would be extremely grateful:

- -Kitchen utensils: especially spoons, metal bowls, Stainless steel/metal cups, large/small pans, muffin tins etc
- -Tree slabs
- -Stainless steel/tin tea set
- -metal kettle
- -Drainpipes/ guttering pipes
- -Empty picture frame (No glass inside)
- -Rope
- -Trowels/spades
- -Cable reels
- -Pieces of slate/small blackboards
- -toy diggers/trucks/cars

We are all enjoying the woodland learning resource and know that this has transformed and

Car Parking on ALDERSEY WAY

As we have all returned back to school I am very mindful of the parking situation once more outside school. In particular around **ALDERSEY WAY**. I have received an email from a concerned resident outlining the dangerous and inconsiderate parking which is taking place at school pick up and drop off.

Cars are parking on either side of the entrance to the road making it very difficult to get through. There is no way emergency services would be able to get through, should there be a need. There have also been concerns about the speed which people drive up and down the small cul de sac especially after turning around after dropping off and picking up.

Please can I ask that we are considerate to our neighbours around school as well as ensuring that any parking does not endanger a child's life.

Where children need to be travelling by car please can I ask that you do:

- not block residents driveways
- not park on the pavement
- not park on corners of roads
- not park in areas where it makes it difficult for children to cross or forces them to walk on the road.
- not park opposite the school entrance or zig zag lines
- not park in the minibus zone **unless** displaying a disability badge

Outside the world may remain strange and uncertain but behind our school walls wonderful things are continuing to take place...

Covid

As you will be aware we have had 4 cases of covid within our school to date. Covid is still circulating within our community and whilst I know we do now need to live with the virus and reduce any further disruption for our children I also wish to keep everyone as well as I possibly can. We will continue to operate with caution in school but not to the extent that it will effect the educational experience the children receive. I am as always extremely grateful for your trust, patience and belief in the school as to how we continue operate.

The new guidance states: Pupils, staff and other adults should follow public health advice on when to self-isolate and what to do. They should not come into school if they have symptoms, have had a positive test result or other reasons requiring them to stay at home due to the risk of them passing on COVID-19 (for example, they are required to quarantine).

If anyone in school develops COVID-19 symptoms, however mild, they will be sent home and they should follow public health advice.

We continue to ask that if any child is displaying symptoms of Covid 19 that a PCR test is taken asap.

There are 2 main COVID-19 tests:

- PCR tests mainly for people with symptoms, they're sent to a lab to be checked and you get the result within a day or two
- · rapid lateral flow tests only for people who do not have symptoms, they give a result in 30 minutes using a device similar to a pregnancy test

Whilst we understand that it is often easier to complete a LFT test if you or a member of your household is symptomatic, it is important that a more sensitive PCR test is taken, as this provides a more reliable indicator of any COVID infection.

The LFT test identifies infection for a short window of peak infectiousness, whereas the PCR test can identify COVID infection at a lower threshold.

Guidance for households with confirmed or possible Covid 19 infections

In the event of a positive case, close contacts (including household members) are no longer required to isolate if:

- they are fully vaccinated
- they are below the age of 18 years and 6 months
- they have taken part in or are currently part of an approved COVID-19 vaccine trial
- they are not able to get vaccinated for medical reasons

Close contacts will be contacted by NHS Test and Trace, informed they have been in close contact with a positive case and advised to take a PCR test. We would encourage all individuals to take a PCR test if advised to do so.

Staff who do not need to isolate, and children and young people aged under 18 years 6 months who usually attend school, and have been identified as a close contact, should continue to attend school as normal. They do not need to wear a face covering within the school, but it is expected and recommended that these are worn when travelling on public or dedicated transport. School will continue to have a role in working with health protection teams in the case of any local outbreak.

If there is a substantial increase in the number of positive cases in school or if central government offers the area an enhanced response package, a director of public health might advise us to temporarily reintroduce additional measures. These may include reverting to bubbles, the wearing of face masks or increased testing. Whilst we are very much looking forward to a more 'normal' school year, we are also mindful that Covid 19 remains a serious health issue.

We would therefore urge you to remain vigilant of the symptoms and to not send your child into school if they are displaying any such symptoms. As a school, we will always be guided by national and local guidance and will advise you of any changes that result from any advice as soon as possible.

With young children we are aware that other symptoms such as hayfever type symptoms, sickness, stomach pains, sore throat, headache can be the first indication of COVID.

As part of our Covid response we will be continuing to inform you if there has been a child within a class who is being tested for **Covid 19** via text. All we ask is that you are more vigilant in watching for any symptoms in your child/children. Once we have received the results of the test we will only send out further communication should the test be positive.
