16 Dec - Christmas Parties

16 Dec - End of term

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven"
Matthew. 5:16

Dear Parents and carers

Today we held our first harvest service at St Boniface church since 2019 and it was lovely to be able to welcome so many people to our service. I'd like to thank you all for coming and joining in with our Harvest celebration.

Our theme this year was Thankfulness and I know the children did a fantastic job at conveying what this means to them at the time of Harvest. I think we can all agree with Year 1 that we are Thankful for chocolate cake though!

As I said at the end of the worship today I am Thankful for being able to work with such wonderful staff and children. Without them we would not be able to put together such a service as we did this morning.

A huge thank you also for the very kind and generous donations to our local foodbank.

Well done

I am always incredibly proud of our pupils when they show initiative and instigate their own fundraising opportunities. Last week two of our pupils Seb (year 5) and Theo (year 6) organised their own fundraising event for DKMS. The event raised an incredibly £377 and we are really proud as a school for all their hard work.

Open Days

We have planned Open Days for Reception 2023 Starters on :

Wednesday 28th September - FULLY BOOKED

Wednesday 19th October - FULLY BOOKED

Monday 7th November - some availability

Monday 14th November - some availability

If you would like to book a tour on these days please call or

email the school office. We are also able to accommodate tours for those moving to the area or wanting to make an in year transfer. Currently we have spaces in: Reception, Year 1, Year 2 and Year 6.

Scarlet Fever

Regionally and nationally, we are seeing high rates of scarlet fever, higher than would be expected for this time of year. The same pattern has been noted for cases of invasive group A streptococcus (iGAS), particularly in children under 10 years. iGAS is a far less common infection caused by the same bacteria as scarlet fever but can lead to more serious illness.

Signs and symptoms of scarlet fever

Scarlet fever is a common childhood infection caused by *Streptococcus pyogenes*, or group A streptococcus (GAS). The early symptoms of scarlet fever include sore throat, headache, fever, nausea and vomiting. After 12 to 48 hours the characteristic red, pinhead rash develops, typically first appearing on the chest and stomach, then rapidly spreading to other parts of the body, and giving the skin a sandpaper-like texture. The scarlet rash may be harder to spot on darker skin, although the 'sandpaper' feel should be present. Patients typically have flushed cheeks and pallor around the mouth. This may be accompanied by a 'strawberry tongue'. As the child improves peeling of the skin can occur.

Actions to take

- Children and adults with suspected scarlet fever should not attend nursery / school / work until 24 hours after starting appropriate antibiotic treatment.
- Whilst scarlet fever is circulating it is important that any children and adults with chickenpox do stay off school or nursery until all their blisters have dried over, which is usually 5 days after they first appeared.

More information about scarlet fever can be found here:

<https://www.gov.uk/government/publications/scarlet-fever-symptoms-diagnosis-treatment>

<https://www.nhs.uk/conditions/scarlet-fever/>

Bunbury Primary School Sporting News Autumn term 2022

At Bunbury, we are blessed to have so many sporting opportunities for children from our reception class right through to Year 6. Under the instruction of our sports partnership at Tarporley High School, we participate in various sporting competitions throughout the academic year from dodgeball to gymnastics to name but a few. These events are all organised by the High school and as a school we are extremely thankful to the time they invest in organising these events for their primary partners.

We always take considerable time when making team selections to ensure that firstly, those who may wish to take part maybe offered the chance and secondly, to ensure that children are chosen in order to develop their skills, abilities and self- confidence. It is though not always possible each time to take all children who volunteer as numbers are often restricted.

Our teams and squad selections are done on a rotational basis with a core of children chosen who excel in a particular sport in order to hone their abilities within a competitive environment alongside those children who show enthusiasm and want to have a go at taking part in a collaborative team sport.

Some may believe that we should be going into a competition to win with the strongest team. However we all know that part of becoming a good well rounded sports person is learning that you may not win each time and to work as a team.

Both myself and Mr Friel agree that our team selection will never become elitist as this does not sit with our school vision of 'Let your light shine.' We will always ensure that there is an equal mix of those who excel and those who show enthusiasm and a desire to try something new within a competitive environment.

As we receive the fixture list through the academic year we will update the sporting fixture calendar below so that as much notice as possible is provided. There may be times when due scheduling of staff events and training we may not be able to take a team to represent the school.

Autumn 2022 Fixtures:

Date	Sport/Year	Venue/Time
Thurs 15th Sept	y3/4 tag rugby	4-5:30pm field
Thurs 6th Oct	y5/6 tag rugby	4-5:30pm field
Thurs 13th Oct	y4/5/6 cross country	4-5:15pm field
Thurs 20th Oct	y1/2/3 cross country	4-5:15pm field

PE Award

Will be announced next week during our celebration assembly

A huge well done to our Year 6 Tag Rugby team this evening. The team won 2 games and lost 2 games and Mrs Friel reports that it was a great performance all round. Well done Year 6 and thank you to Mr Friel for taking the team to compete.

Car Parking and Speeding

As we have all returned back to school I am very mindful of the parking situation once more outside school. Please can I encourage, where possible, all children to either walk or cycle to school and that this message is shared within your families for all those responsible for dropping off or collecting children from school. This week I have unfortunately needed to send a reminder out to parents about parking particularly when it is wet after a complaint from a local resident.

Where children need to be travelling by car please can I ask that you park considerately around the surrounding area **even when the weather is wet** for example by:

- **not blocking residents driveways**
- **not parking on the pavement**
- **not parking on corners of roads**
- **not parking in areas where it makes it difficult for children to cross or forces them to walk on the road.**
- **not parking opposite the school entrance or zig zag lines**
- **not parking in the minibus zone unless displaying a disability badge**

Cones have now been placed opposite the school to ensure that this area is kept free of cars.

Mrs Badger's Weekly Awards

Due to todays Harvest Service, we have not had our usual celebration assembly - all awards will return as normal next week and all certificates achieved will be added to next weeks newsletter

Have a lovely weekend from all of the Bunbury Team and I look forward to seeing you back in school on Monday.

Nic Badger

School photos will be conducted on
Monday 10th October 2022
At this session we will be photographing
Whole School

Families
(Starting at 8.30am)

Siblings

Individuals

Please ensure full uniform is worn and children are neat and tidy.

Parents will receive free proofs of every image
and the option to make a purchase.
