8th February 2021

Dear Parents/Carers,

I hope you have all had an enjoyable weekend. We are now approaching the end of our half term and I know for many of you it will have been a long six weeks of remote learning. Firstly, I would like to thank you for everything you have done at home with your children, every piece of learning, no matter how small will have kept that Love for Learning alive. I know you are not able to have your usual adventures over the half term break but I would like to stress that you and your children do need a break. Time for walks, cycling, baking, having fun as a family, must and can still be enjoyed despite the restrictions.

I continue to be amazed with the resilience of both staff, parents and the most important ones - the children. They have all engaged with the learning set by teachers and it was again lovely to welcome a large number of our families onto our Zoom celebration worship at the end of last week.

One of the most important things to me is that we stay connected as a school and that even though we are physically parted we can still maintain our Bunbury school family community. Below you will find the links to our Storytime sessions, Zoom celebration worship and this week's Family bingo night on Friday 12th February.

This week our story time sessions will take place again on Tuesday and Thursday. The **Tuesday** session will be directed at Reception/KS1 children and the **Thursday** session at KS2. Both sessions will begin at 2.45pm and last approximately 15-20 minutes.

Please see the links below to join either of these 2 sessions.

In the meantime, we will continue to support you from a distance as much as we are able. We won't always get it right and that is when we learn and change. Thank you for the many supportive and positive emails, donations of laptops and kind gifts. It shows that we understand we are in this together and will get through it together.

If there is anything we can do to support you and your families during this time, please don't hesitate to contact us.

Take care and stay safe

Kind regards

N M Badger
