| recent | separate | strength | thought | various |
| regular | special | suppose | though | weight |
| reign | straight | surprise | through | woman |
| remember | strange | therefore | until, | women |
| sentence | | | unless | yellow |

Times tables / Division to learn

At the end of Year 4, all children will take the national timestables test. In addition to in school practice, we ask that parents support their children regularly with learning these by heart at home so that they are ready for this. Outlined below is the year on year gradual progression that we work to at Bunbury. In year 3, we would expect 1s, 2s, 5s and 10s to be secure and recalled at speed with ease, and that 3s, 4s and 8s would be embedded by the end of the year. This framework is set in place to avoid overwhelming children in Year 4.

Year 2: 1s, 2s, 5s, 10s

Year 3: 3s, 4s, 8s

Year 4: 6s, 7s, 9s, 11s, 12s

Times Tables:

Recommended reading linked to our topic

Fiction Books

"Naughty Bus" by Jan Oke

Join the mischievous adventures of a toy double-decker bus as it travels around the city when no one is looking. This charming story provides a playful look at different modes of transportation.
