

# Take Away Homework!

## Choose your homework from the lines of latitude below:

The lines of latitude suggest the difficulty or challenge the homework may offer (the further south, the easier the task)  
This half term you must attempt one task from the list. We expect high quality work which shows research, thought and care with presentation. Please bring your work back to school on **Wednesday 22<sup>nd</sup> October 2025**.

<p>Create an adaptation for an animal, in order to help their survival e.g. an elephant has huge ears in order to flap them to keep cool.</p> <p>STEM</p>	<p>Design an invention that could help to protect an animal's habitat.</p> <p>Science</p>	<p>Design and make a flag for an imaginary European country.</p> <p>D&amp;T</p>
<p>Create a poster containing some useful tips of online safety.</p> <p>Computing</p>	<p>See if you can use your place value knowledge to calculate the amounts of animals left in several different species.</p> <p>Maths</p>	<p>Create a piece of animal artwork in whatever form you choose - paints, collage, print, drawing, anything!</p> <p>Art</p>
<p>Create a narrative story linked to our topic, you may want to write your own fantasy story about a gorilla inspired by our topic.</p> <p>English</p>	<p>Research which countries around the world have some of the most endangered species.</p> <p>Geography</p>	<p>Create a fact file of your chosen animal.</p> <p>English</p>
<p>Discover some animals in your local area, what can you find out about them.</p> <p>Topic</p>	<p>Make a model of a gorilla with recycled bits from around the house.</p> <p>D&amp;T</p>	<p>Free choice! Choose anything you have been learning about in class, research it more and present it in a form of your choice.</p>
