Dear Parent/Carer,

Individual Charity Match Funding

You will hopefully be aware of the fantastic work your PTA are doing to raise funds for our school. We wanted to take this opportunity to remind you about the Match Funding scheme and how a little bit of your time could double the funds for the PTA.

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Usually, the employee will need to supply them with a letter from the PTA detailing the date and nature of the event, together with the total raised.

In addition to this match funding some larger financial institutions offer grants to employees children schools. Recently MBNA helped fund the EYFS outdoor play space at Bunbury and NatWest helped at St Oswalds.

The high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too. Below is a list of companies that have previously match funded. Below is a list of companies that have previously match funded

We would be grateful if you could talk to your employer and see if they are interested in supporting your school - remember it may well be a CSR policy and budget they have in place, it's simply a question of asking for it!

Your PTA
